

A VISIT FROM A TREETURE™!

The Skagit Conservation District is excited to be able to offer the Treeture™ educational program to help with Arbor Day celebrations. The community of Treeture™ characters represents the spirit of tree planting and tree care and strives to teach the value of trees to children (appropriate for grades K-3). The goal of the Treeture™ program is to combine environmental education with entertainment. If you would like Blossom or Sprig to visit your classroom for Arbor Day, please contact Cindy Pierce at the District at (360) 428-4313 or e-mail cindy@skagitcd.org. To learn more about the Treetures™, visit www.treetures.com.

Blossom, the Treeture™ teaches kids about trees and how they function.
