

# 2022

## The Backyard Conservation Stewardship Short Course

The annual six-week  
BYC program is scheduled for  
Wed. evenings from March 2 thru April  
8th.

The classes will be via Zoom from 6pm  
– 8:30pm with 2 Saturday afternoon  
fieldtrips TBA

The program is FREE to local residents.  
Pre-registration is required.

Registration deadline is Feb. 23, 2022

### **Making the world a better place starting in our own backyards.**

All land on earth is a watershed, connecting all our backyards together. Our activities affect our health, the health of our homes, and everything around us. Hear from experts and on the topics of “rainwise” gardening, Native plants, landscaping for wildlife, Integrated Pest Management, Invasive Weeds, Composting, and more..

Participants will learn the principles of how to make your home a place of beauty that benefits humans, animals, watersheds, and the environment starting in your own backyard.
