

March 19 Plant Sale Pick Up Instructions.

Where: Plant Material Center, 16564 Bradley Road, Bow, WA

When: March 19, Pick up time is 9am-2pm.

Due to Covid 19 and our practicing recommended safety best practices there will be no open sale. Picking up your order will be a drive thru no-contact 'curbside' pickup for your and our safety. There will be no access to the Plant Materials Center or browsing of plants as your orders have all been pre-packaged. There will be no walk up sales or additions to your pre-order as all sales were pre-paid.

1. When you arrive at the Plant Materials Center please follow the path on the attached map to ensure a steady flow of traffic. When you enter stay to the left.
2. Stop at the designated spot and give and a greeter will give you instructions. Stay in your vehicle.
3. Stop at the second designated spot and a Conservation District associate will take your order number and deliver your order to your vehicle. We will place the order next to your car and maintain the recommended social distancing while you place the order in your car. If you need assistance putting the order in your car we request you maintain the recommended 10' of social distancing.
4. Proceed to exit following the path on the attached map. Stay to your left.

Thank you for your corporation!
